Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicants' representative, Mr. Boughner, called inquiring about the final rejection given in the Office Action mailed on 08/24/04. The inquiry concerned the prematureness of the finality based on the fact that Examiner Hollington had introduced a new art against slightly modified claim 1. After the examiner spoke with his supervisor, it was determined that the final should not have been given. Therefore, the examiner will withdraw the finality of the Office Action mailed on 08/24/04.
